

ROYAL LAKES
FAMILY AND COSMETIC DENTISTRY

RLFD

DENTAL BENEFIT MEMBERSHIP!

Royal Lakes Family Dental (RLFD) is now offering an annual (one year) dental membership for our non-insured patients in order to help offset the cost of dentistry.

The Advantage of the RLFD Membership

- No Maximums or Deductibles
- No Claim Forms, Pre-Authorizations, Insurance Denials, or Downgrades.
- No Pre-existing Condition Limitations (such as missing tooth clause or replacement periods).

Membership Details:

- 1 Comp Exam and 1 Limited Exam Included per 12-Month Period
- 2 Healthy Mouth Cleanings per 12-month Period. (If Perio maintenance, it covers 2 and the 3rd or 4th is discounted per the plan.) **Does not include Fluoride*
- 10% Membership Benefit off on most treatments. (Tooth whitening, braces or Invisalign, any cosmetic treatments like veneers will not be discounted)

MEMBERSHIP PREMIUMS

☐	Single Membership	\$399.00 per year
☐	Family of Two	\$788.00 per year
☐	Family of Three	\$1167.00 per year
☐	Family of Four	\$1540.00 per year
☐	Each Additional Member	\$350.00 per year

Membership benefits begin as soon as the membership premium has been paid and remains in effect for one full year (365 days) from the paid date.

The membership fee cannot be paid with a 3rd party finance service like Care Credit. If using Care Credit or any form of payment for which RLFD pays a percentage to a 3rd party payor, the maximum member benefit will be the member percentage minus the percentage paid to the 3rd party. For instance, if you use Care Credit's 12 month no interest option, RLFD pays 10% of the fee for your treatment to Care Credit. In this example the 10% fee to Care Credit minus the available membership benefit of 10%, leaves 0% member benefit available to use for treatment.
